

UNIVERSITIES

case study: Coffee Revolution
location: University of Sheffield – Student Union

Brief: The University of Sheffield S.U.S main stream brand Coffee Revolution provided IWCF with a fantastic opportunity to showcase its specialist design and fit out skills. Working closely with the client to create a new and exciting concept for the vastly extended union flagship. Infusing all elements of bespoke counters, feature lighting coffers, vibrant furnishings and distinctive flooring produced a wonderfully warm and comfortable coffee shop.
