

HOTELS

case study: The Pasture Lodge Hotel
location: Mexborough.

Reeds Restaurant.

Brief : A key feature within this popular hotel is its Ala Carte restaurant boasting splendid feature seating units, champagne bar and stylish furnishings.

All aspects of this interior fit out were designed in conjunction with both the client and architect as a unique and bespoke interior.

I have worked with IWCF on five major projects. Each project has shown creativity, quick grasp of goals with a rapid and thorough response. Innovative with new approaches and fresh ideas; project management with enthusiasm and motivation.

M. Chappell – Managing Director & Owner of Pastures Lodge Hotel.
