

INTERIOR CONTRACTORS

CORIAN FABRICATORS

RESTAURANTS

case study: Tara Lounge
location: Doncaster

Brief: An existing client requested IWCF convert this shut down Enterprise Inns property into a modern upmarket 'drive-to' destination Indian Restaurant.

The External walls remained, however the interior of this public house were completely altered. A new lounge and over spill restaurant / function room within one section and large 60 cover restaurant within the remaining area. In addition and while in site the client also requested a new takeout area was to be created within a back section of the building.

All elements of this project were specified, constructed or commissioned by IWCF.
