

# SPORTS & SOCIAL CLUBS

case study: The Ranch bar area.  
location: Thorncliffe Cricket Club

Location: Chapelton nr Sheffield.

Brief: The committee requested IWCF create a full scheme package for the refurbishment of club house bar and viewing area. The scheme required a small amount of building works in the form of removing a dividing wall, new bar and servery area, removal of a dominating over bar canopy and new seating, fixtures and finishes throughout.

Since the refurbishment the club has reaped the rewards – while other businesses in the industry are suffering the Thorncliffe has increased the membership and profits have increased.
